## **WAFFLE HOUSE RESTAURANTS PROVIDING OPPORTUNITIES AND RELIEF FOR GULF COAST RESIDENTS**

Waffle House restaurants are asking all currently employed associates to check in with management at their home restaurant. If the restaurant is closed, please go to the nearest open restaurant to check in with management. If a Waffle House associate is displaced, please call the corporate office at 1-800-822-9235.

Waffle House guarantees any displaced associate a job either on the coast or elsewhere in the restaurant system.

In addition, the restaurant chain is offering opportunities to anyone who needs a job in the Gulf Coast area. Waffle House will be setting up Career Opportunity Centers in the following locations:

Since Hurricane Katrina hit, Waffle House restaurants has provided the following relief:

- Waffle House distributed more than 110,000 pound of ice and 18,000 gallons of water to local residents.
- Restaurant and construction resources from Georgia, North Carolina, South Carolina, Florida, Texas and Arkansas are in the area to help open restaurants.
- The top three leaders of our company – our CEO, President and our Support Vice President - were on the ground within 24 hours of the storm.
- A human resources team including a corporate psychologist is there to provide for the needs of our associates and their families.

***Celebrating 50 years of Good Food Fast, Waffle House, Inc. owns and franchises 1,500 restaurants in 25 states.***
